CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 151

Introduced by Assembly Member Ruskin Jones
(Principal coauthor: Senator Runner)

January 23, 2009

~~An act to amend Section 3055 of the Penal Code, relating to parole.~~
An act relating to the Department of General Services.

LEGISLATIVE COUNSEL'S DIGEST

AB 151, as amended, ~~Ruskin Jones. Imprisonment; parole; programs.~~
Department of General Services: authorization.

Existing law authorizes the Department of General Services to acquire and convey real property for the state, whenever that transfer of the real property is authorized or contemplated by law.

This bill would authorize the department to investigate and negotiate the terms of a sale, exchange, lease, or any combination thereof, of all or a portion of specified real property in Sacramento that is used for state offices, including offices used by the State Board of Equalization. The bill would further authorize the department to investigate and negotiate the use of anticipated net proceeds to acquire a headquarters for the State Board of Equalization. The bill specifies that the department is not authorized to dispose of the specified property or acquire land and facilities. The bill would also state the intent of the Legislature, in the 2010–11 Budget Act, to transfer operating funds from the State Board of Equalization to the department to pay for the department's actual reasonable costs for actions taken pursuant this authorization.

~~Existing law requires the Department of Corrections and Rehabilitation to establish a pilot program, until January 1, 2010, in~~

~~East Palo Alto for parolees returning to East Palo Alto. Existing law provides that the program may include, but is not limited to, a prerelease needs-based assessment of inmates scheduled to parole to East Palo Alto, a reentry plan identifying services needed by the parolees, and partnerships with East Palo Alto police officers, community organizations, and service providers, as specified. Existing law requires the department to maintain information on the effectiveness of the program, as specified, and report to the Legislature on request. Existing law provides that the program's operation is contingent upon consent by the City of East Palo Alto to participate in the pilot program.~~

~~This bill would extend the sunset date of the pilot program until January 1, 2012.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
